<p>I am female. I had a previous EEOC Claim against the City which was resolved in full when I reinstated to the position of Sergeant in September 2019. After I resolved my prior EEOC complaint, I started to receive sexually explicit text messages from a command staff member. I did not report the harassment for fear of retaliation as I was on a probationary status after being reinstated to Sergeant and given that another female sergeant in the department also reported sexual harassment and was retaliated against. Also, after I resolved my prior EEO Complaint, I had an issue in October or November of 2019 where Lieutenant Garcia was screenshotting personal pictures of my social media and forwarding it to the whole police station. Within a few days my personal pictures were on the phones of most of my colleagues. This was humiliating and mortifying. My colleagues were talking about the photograph and would come up to me to show me and when I asked, they said it come from Lieutenant Eduardo Garcia. Lieutenant Garcia used to ask me to join him for breakfast or to work out in the gym and when I would say no, he would get cold with me. He pulled me aside and attacked my personality, saying I needed to be more of an extrovert and less of an introvert</p> <p>From February 2020 and onward, I was subjected to a hostile environment such as when my supervisors and others openly engage in sexually inappropriate and offensive comments and viewing pornographic videos in the workplace on their cellphones. The Lieutenants and Sergeants would openly laugh and make comments like "this is how so and so got the new position, or this is what you have to do around here to get in a specialized unit." Captain M. Rivero has been present while sergeants and lieutenants make sexual innuendo comments and she would laugh about it and not stop the behavior. I have been subjected to listening to my colleagues talk about penis enlargements and detail how the procedure is done. I have had to listen to some of my colleagues disparage black supervisors and use derogatory comments like "these negroes are entitled and racist." I continuously have to listen to all my male colleagues who hold supervisory positions talk about women and sex on a constant basis.</p>

In or about February of 2020, I had another Lieutenant asking several sergeants whom he saw speaking to me if they were sleeping with me. This Lieutenant also made comments such as I could rule the department if sleep my way to the top. I've also had a Major inappropriately grabbing my wrist in an inappropriate manner under the guise to personally inspect my tattoo and then he started to ask me personal questions about my relationship status.

Another situation in Feb/Mar 2020 occurred when a male Sgt. was verbally counseled for violating a state emergency order by having lunch in a restaurant after the city and governor advised no person shall eat inside any establishment. He was seen eating inside a restaurant with two (2) other officers. The officers and the sergeant did not receive any discipline. Instead, I was punished by being switched with the sergeant in lieu of the sergeant receiving discipline. Lieutenant Flanagan, Lieutenant Baldwin, and Lieutenant Dohler advised me verbally of the switch in area of responsibility and stated they are making this switch to protect the male sergeant from receiving formal written discipline.

In March or April of 2020, I was having a conversation with a Lieutenant when I told him that an officer would be coming in a couple hours late due to a dental visit where he would be getting a tooth filling. The Lieutenant responded with "what is he doing? A rectum filling?" A few weeks later, the Lieutenant started to imitate sexual acts in the workplace and saying, "this is what Andrew Gillum was doing last night" he also made a comment that the Covid-19 temperature checks were going to be conducted through the rectum.

I've also been subjected to disparate treatment. For example, even though command staff has stated that we need to have less contact with the public due to Covid, In May 2020, Ast Chief Acosta threatened to send me home if my vehicle didn't move much from the station which is uncomfortable considering the fact sergeants and lieutenants sleep on duty in the office and in their cars while working in front of me or in front of their supervisors. Yet no one tells them to move their vehicles.

In April 2020, my personal cell phone had run out of battery during my tour of duty and I left it in the car charging. One of my Lieutenants demanded me to respond to the Lieutenant's office and demanded to see my personal cell phone to check its battery life. I stated that her phone was in the car charging and that it was out of battery. I felt targeted and harassed as I had never seen anyone else be required or having been demanded to produce their personal phone for inspection by a supervisor. As I exited, I was contacted by several other supervisors who were appalled at this treatment and advised me that the Lieutenant had planned to make this request of her. That he stated verbatim "I know she's lying and when she walks in here, I am going to ask to see her phone."

Also on April 22, 2020, I was on the phone with Lt. Dohler and told him I was running late because I had a personal emergency due to a gastrointestinal issue. I had severe stomach cramps and could not hold the pain or keep from using the restroom. I had to shower again. As I was on my way in, the Lieutenant radioed me and asked what restroom I was in. I advised the lieutenant that I would be in the 5th-floor range restroom because that was the restroom I was headed towards. I was running up the station garage stairs because I had to use that restroom and I knew that would be the only one stall restroom I could use to maintain privacy and dignity. When I arrived, the lieutenants would be waiting for me outside the restroom door in a tactical position sneaking around standing in front of the restroom. When I walked in, I found both lieutenants in that position and asked what they were doing. They demanded to know who was in the restroom and who was I with. I was confused as to why they would be asking her this when I told Lieutenant Dohler of my emergency. I was humiliated due to this incident. Later, the same lieutenant filed an internal affairs complaint based on this incident which is currently pending.

When the above comments and behavior takes place in the workplace, I remove myself from the situation, but then I am criticized for not being a team player or for being an introvert.

In June of 2020, I had Lieutenant make comments in front of me that it's the Hispanics causing riots in Miami and making the protests violent, knowing very well I am a Hispanic female.

I have also had co-workers tell me that they did not want to be associated with me specifically because of my prior harassment/discrimination complaints.

I believe that I was subjected to sexual harassment and sexual discrimination, national origin discrimination, and retaliation because of my objections and complaints of the discriminatory behavior in the workplace in violation of Title VII of the Civil Rights Act of 1964, as amended, the Florida Civil Rights Act of 1992, as amended.
